### CROSSWORD

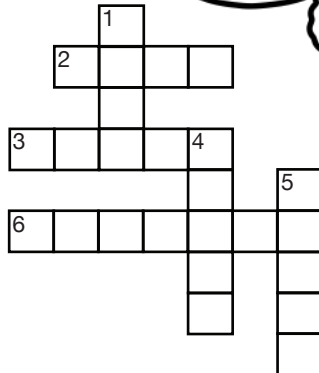

Foods and Cuisines

DOWN:

- A trendy, chewy addition to many beverages, especially teas and smoothies.
- A popular Mexican dish that includes several ingredients inside of a tortilla.
- This iconic Italian dish is one of the most common delivery foods and can have a wide variety of toppings.

ACROSS:

- The main ingredients in a \_\_ bowl are an array of raw fish and seafood chunks.
- Many fast food restaurants are beginning to offer \_\_ based options for those that don't eat meat.
- A type of restaurant where the food is typically cooked theatrically in front of you on a large grill.
